**ARTICLE III  
RESTRICTIONS AND COVENANTS**

---

1. Use. Each Lot located within the Townhome Property shall be used exclusively for townhome residential purposes.
  
2. Plan Approval.
  - (a) Improvements. Prior to the construction of any townhome residence on any Lot, a set of building plans for such residence along with a one hundred dollar (\$100) review fee shall be submitted by the Lot Owner to the Declarant for approval. Said building plans shall be signed and certified by the Lot Owner as a true and correct copy of the building plans for the residence to be constructed on such Lot, and contain a statement that the Lot Owner will submit to the Declarant, for written approval, any amendments, modifications or changes to such building plans. Such building plans shall show the size, exterior material, design and plot plan for the residence to be constructed on such Lot and shall indicate the location of the residence, attached garage and any other structures to be placed or constructed on such Lot. Such plans shall also include erosion control measures which will contain erosion of soil on the Lot during construction. One set of such building plans, and all amendments, modifications and changes thereto, signed by the Lot Owner shall be left on permanent file with the Declarant. Declarant shall have the right to request the Lot Owner provide samples of the Lot Owner's proposed exterior materials. No construction of any townhome residence on any Lot shall be commenced unless and until written approval of the building plans for such residence has first been obtained from the Declarant. Written approval or disapproval of such building plans shall be given by the Declarant within ten (10) days from and after receipt thereof by the Declarant. Approval of such building plans shall not be unreasonably withheld; provided, however, that the Declarant shall have the sole and exclusive right, in its sole discretion, to approve or reject any such building plans if, in the opinion of the Declarant, either the style, size, material or plot plan of such residence does not conform to the general standard and character of the townhome residences constructed or to be constructed on other Lots located within the Property.

Prior to the construction of any addition to any residence constructed on any Lot, or the change or modification in the exterior of any residence constructed on any Lot, the Lot Owner shall first obtain the written approval of the Declarant to proceed with any such construction, change or modification, which approval shall not be unreasonably withheld.

- (b) Landscaping. Prior to the occupancy of any townhome residence on any Lot, a landscape plan signed by the Lot Owner shall also be submitted to the Declarant for approval. Any landscape plan must include at a minimum:
  - (i) a landscape plan for the entire portion of the Front Yard;
  - (ii) show a minimum planting schedule for such Lot of one (1) one and one-half inch caliper deciduous tree or one (1) evergreen of minimum five feet in height in the Front Yard, and, if such Lot is located along a boulevard or parkway, one (1) evergreen of minimum five feet in height in the side or back yard;

- (iii) meet the screening requirements of Paragraph 9 of this Article;
- (iv) contain a written certification by the Lot Owner that, to wit:
  - (A) all of the plantings required pursuant to Paragraph 2(b) of this Article will be installed within nine (9) months of completion of construction of the townhome residence to be constructed on such Lot, and that the Green Area of such Lot will be sodded, as required herein, prior to occupancy of the townhome residence; and
  - (B) that an underground sprinkler system will be installed on such Lot by the Lot Owner prior to any sodding of the Green Area of such Lot, in accordance with Paragraph 7 of this Article; and
  - (C) that the landscape plan, the plantings and the underground sprinkler system required to be installed on the Lot pursuant to this Declaration will be continually maintained (and replaced if necessary) by the Lot Owner, or the Lot Owner's successors or assigns.

No townhome residence constructed upon a Lot shall be occupied unless and until written approval of the landscape plan has first been obtained from the Declarant. Written approval or disapproval of such landscape plan shall be given by the Declarant within ten (10) days from and after receipt of such plans by the Declarant. Approval of such landscape plan shall not be unreasonably withheld; provided, however, that the Declarant shall have the sole and exclusive right, in its sole discretion, to approve or reject any such landscape plan if, in its opinion, such landscape plan does not conform to the general standard and character of landscape plans for other Lots located within the Townhome Property.

Lot Owner shall be responsible for completing the planting of all items identified on the landscape plan within nine (9) months after the date the townhome residence constructed upon a Lot has been occupied. Each Lot Owner shall escrow Two Hundred Fifty Dollars (\$250) for each tree required to be planted on the Lot he/she is purchasing pursuant to this Paragraph 2(b) at the time such Lot is purchased from the Declarant; provided, however, Declarant may waive the escrow requirement if the trees are included in a builder package. In the event the Lot Owner does not complete the planting of any tree required under this Paragraph 2(b) upon its Lot within the time frame set forth herein, Declarant shall have the right to use the escrow proceeds to purchase such tree(s) and shall have an easement to enter upon the Lot Owner's Lot to plant such tree(s) in accordance with the approved landscape plan. In the event the Lot Owner completes the planting of all trees required under this Paragraph 2(b) within the time frame set forth herein, Lot Owner shall notify Declarant and Declarant shall, upon verification of the plantings, return the escrowed funds to the Lot Owner.

Declarant shall have the right, in Declarant's sole and absolute discretion, to waive and/or modify the application and interpretation of any term, condition or restriction imposed by this Paragraph 2.

If any damage is caused to an abutting Lot during construction, including the removal of adjacent Lot corners and pins, the Lot Owner of the Lot upon which construction is taking place shall be responsible for repairing such damage and returning the abutting Lot to its original condition. If upon notice from Declarant to repair an abutting Lot, the Lot Owner of the Lot upon which construction is or has taken place or his/her contractor fails to comply within seven (7) days of delivery of such notice, Declarant may take such measures as may be necessary to repair the damage done to the abutting Lot and charge the cost of the measures to the Lot Owner. Such charges, when shown of record, shall be a lien upon the Lot and shall bear interest at the rate of fourteen percent (14%) per annum until paid.

The adequacy of erosion control measures on a Lot shall be subject to continual review during construction. Declarant shall have the right to require any Lot Owner to maintain silt fences or other additional measures if soil is observed to be eroding onto abutting Lots, sidewalks or into any street or private roadway. If upon notice from Declarant to repair, maintain or take additional measures to control erosion, the Lot Owner of any Lot or his/her contractor fails to comply within forty-eight (48) hours of delivery of such notice, Declarant may take such measures as may be necessary to control the erosion and charge the cost of the measures to the Lot Owner. Such charges, when shown of record, shall be a lien upon the Lot and shall bear interest at the rate of fourteen percent (14%) per annum until paid.

No dirt from grading, excavation or resulting from any other activity on any Lot may be removed from the Townhome Property without the prior written permission of Declarant. Declarant will designate an area or areas within the Townhome Property for stockpiling dirt and those placing dirt in such areas will level it so as to allow for mowing and maintenance. The Declarant may, in the Declarant's sole discretion, at such time as the Declarant deems appropriate, transfer, convey and assign to the Association the right to designate an area for stockpiling dirt.

2. Additional Property. Declarant reserves the right, in its sole and absolute discretion, at any time and from time to time, to add Additional Property to the provisions of this Declaration without the consent of the Members of the Association. Additional Property may be added to this Declaration by an instrument executed by Declarant and filed with the Lancaster County Register of Deeds, which instrument shall be deemed an amendment to this Declaration (which need not be consented to or approved by any Member of the Association) and shall (i) refer to this Declaration, stating the date and filing information, (ii) contain a statement that such Additional Property is conveyed subject to the provisions of this Declaration or only specified portions thereof; (iii) contain an exact legal description of such Additional Property, and (iv) state such other or different covenants, conditions and restrictions as the Declarant, in its sole discretion, shall specify to regulate and control the use, occupancy and improvement of such Additional Property.
3. Party Walls. Each wall which is built as a part of the original construction of a dwelling within the Townhome Property and placed on the dividing line between two adjoining Lots shall constitute a party wall. The cost of reasonable repair and maintenance of a party wall shall be shared by the Lot Owners of the Lots who make use of a party wall in proportion to such use. If a party wall is destroyed or damaged by fire or other casualty, any Lot Owner of a Lot who has used the wall may restore it. If any other Lot Owner subsequently makes use of the party wall, they shall contribute to the cost of restoration in proportion to such use. Notwithstanding any other provision of this paragraph, a Lot Owner who by their negligence or willful acts or omissions causes the party wall to be destroyed, damaged or otherwise exposed to the elements shall bear the whole cost of furnishing the necessary protection against the elements and the cost of restoration. The right of any Lot Owner to contribution from any other Lot Owner under this paragraph shall be appurtenant to the land and shall pass to such title holder's successors in interest. Should a dispute arise concerning a party wall under this Declaration the parties are encouraged to resolve their dispute pursuant to the Dispute Resolution Act, NEB. REV. STAT. § 25-2901 to 25-2920 prior to filing a lawsuit. No legal action with respect to a party wall dispute shall be commenced or maintained unless and until the parties have utilized the Dispute Resolution Act.

4. Common Utility Lines. When any utility line shall be constructed on two or more adjoining Lots with the Townhome Property, each Lot Owner of one of the adjoining Lots shall have an easement for the maintenance, repair and replacement of the utility line upon all of the adjoining Lots, which easement shall be appurtenant to the interest requisite for membership. Any expense of maintenance, repair or replacement of the utility line shall be borne equally by the Lot Owners of such adjoining Lots. The provisions of this paragraph shall not operate to relieve any Lot Owner from any liability which such Lot Owner may incur by reason of negligent or willful acts or omissions resulting in damage to the utility line.
5. Enforcement of Declaration. Except for the authority and powers specifically granted to the Declarant, the Declarant or any Lot Owner named herein shall have the right to enforce by a proceeding at law or in equity, all reservations, restrictions, conditions and covenants now or hereinafter imposed by the provisions of this Declaration either to prevent or restrain any violation or to recover damages or other dues of such violation. The City shall have the right to enforce by proceedings at law or in equity all restrictive covenants and conditions regarding the maintenance of the Common Area. Failure by the Declarant, City of Lincoln or by any Lot Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.
6. Amendment. This Declaration may be amended by Declarant, or any person, firm, corporation, partnership, or entity designated in writing by Declarant, in any manner which it may determine in its full and absolute discretion for a period of fifteen (15) years from the date hereof. Thereafter any portion of this Declaration, may be amended by an instrument signed by the Lot Owners of Lots comprising not less than sixty-six percent (66%) of the total votes of Lots covered by this Declaration.
7. Assignment. Nebco, Inc. shall have the power to assign any or all of its rights and duties as Declarant in this Declaration to a successor or assign, or to the Association at such time as the Declarant deems appropriate, by filing a Notice of Assignment of Declarant Rights and Duties that delineates which rights and duties are being assigned. Nebco, Inc., or its successor or assign, may also terminate its status as Declarant under this Declaration in its entirety, at any time, by filing a Notice of Termination of Status as Declarant. Upon such filing, the Association may appoint itself or another entity, association or individual to serve as Declarant with respect to those remaining rights and duties the Declarant has not previously assigned to another entity, association or individual under a Notice of Assignment of Declarant Rights and Duties, and such appointee shall thereafter serve as Declarant with the same authority and powers as the original Declarant with respect to those remaining rights and duties.
8. Partial Invalidation. Invalidation of any covenant by judgment or court order shall in no way affect any of the other provisions hereof, which shall remain in full force and effect.

9. Termination of Covenants. The covenants and restrictions of this Declaration shall run with and bind the land and the Lot Owners, their successors, assigns, heirs and devisees, for a term of thirty (30) years from the date of this Declaration, after which time said Declaration shall be automatically extended for successive ten (10) year periods unless an instrument terminating this Declaration signed by the then Lot Owners of Lots comprising not less than seventy-five percent (75%) of the total votes of Lots covered by this Declaration has been recorded prior to the commencement of any ten year period.
