Design Review Change Request Form

This form is to be completed for any proposed modifications to a Fallbrook home or property. Alterations, additions or other significant changes to a home's exterior or property are subject to review and require prior approval from the Fallbrook Design Review Committee.

Examples of modifications needing prior approval include, but are not limited to: additions to the home; sun rooms, decks or porches; changes in exterior color or material; changes in window or door size or color; garage door replacement, or any other such physical change to the home.

On the reverse side, please indicate the change(s) being proposed and attach drawings, photographs, and/or renderings that clearly communicate the nature of the change.
