6. Association Activities Regarding the Common Area. The Association covenants and each Lot Owner of a Lot, by acceptance of a deed by which the interest requisite for membership is acquired, shall be deemed to covenant and agree to pay to administer, insure, maintain, repair, replace, add, improve and to the extent applicable, own the Common Area. The covenant to pay shall be satisfied by the payment of dues and assessments for such administration, insurance, maintenance, repairs, replacement, addition, improvement, and to the extent

applicable, ownership of the Common Area as set forth below. The City has approved the final plat of Fallbrook Addition, as well as subsequent Fallbrook additions, upon the condition that the Common Area be maintained by the Declarant on a continuous basis. The Association covenants and each Lot Owner of a Lot, by the acceptance of a deed by which the interest requisite for membership is acquired, shall be deemed to covenant to assume the obligations of the Declarant to comply with the requirements of the final plat of Fallbrook Addition, as well as all subsequent Fallbrook additions, regarding continuous and permanent maintenance of the Common Area. In the event the Association dissolves, the Lot Owners shall remain jointly and severally liable for the cost of administering, insuring, maintaining, repairing, replacing, adding and improving the Common Area.

7. Association Activities Regarding the NU Common Area. The Association covenants and each Lot Owner of a NU-Lot and a TR-Lot, by acceptance of a deed by which the interest requisite for membership is acquired, shall also be deemed to covenant and agree to pay to administer, insure, maintain, repair, replace, add, improve and to the extent applicable, own the NU Common Area.

The covenant to pay shall be satisfied by the payment of dues and assessments for such administration, insurance, maintenance, repairs, replacement, addition, improvement, and to the extent applicable, ownership of the NU Common Area as set forth below. The City has approved the final plat of Fallbrook Addition, as well as subsequent Fallbrook additions, upon the condition that the NU Common Area be maintained by the Declarant on a continuous basis. The Association covenants and each NU Lot Owner and Transitional Lot Owner of a Lot, by the acceptance of a deed by which the interest requisite for membership is acquired, shall be deemed to covenant to assume the obligations of the Declarant to comply with the requirements of the final plat of Fallbrook Addition, as well as all subsequent Fallbrook additions, regarding continuous and permanent maintenance of the NU Common Area. In the event the Association dissolves, the NU Lot Owners and Transitional Lot Owners shall remain jointly and severally liable for the cost of administering, insuring, maintaining, repairing, replacing, adding and improving the NU Common Area.

8. Refuse Service. The Association shall select a single provider to provide refuse collection services for the entire Residential Property, Townhome Property, and Transitional Property. The cost of the refuse services for each Lot shall be paid by the Lot Owner directly to the service provider and shall not be collected by or paid to the Association.
9. Imposition of Dues and Assessments. The Association may fix, levy and charge each Lot Owner with dues and assessments under the following provisions of this Declaration. Except as otherwise specifically provided, the dues and assessments shall be fixed by the Board of Directors of the Association and shall be payable at the time and in the manner prescribed by the Board. The Board of Directors of the Association shall prepare and adopt separate annual budgets for the costs associated with the administration, improvement, maintenance, operation, repair and replacement of the Common Area and the NU Common Area. Within thirty (30) days of the Board's adoption of the annual budgets, the Board shall (i) provide a summary of the

Common Area budget to all Members of the Association and a summary of the NU Common Area budget to the Class B and Class C Members; and (ii) set a meeting date to consider ratification of the budgets not less than fourteen (14) nor more than thirty (30) days after mailing the summaries. The budget for each of the above Common Areas is automatically ratified by the Members, whether or not a quorum is present, unless at that meeting Members holding at least seventy-five percent (75) of all votes allocated to: (i) all Lots within the Property reject the Common Area budget, or (ii) all NU-Lots and TR-Lots within the NU Property and Transitional Property reject the NU Common Area budget. In the event any one or more annual budget for a Common Area is rejected as set forth herein, the annual budget for that Common Area last ratified by the Members shall be continued until a subsequent budget proposed by the Board is ratified by the appropriate Members as set forth herein.

10. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues and assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant.
11. Liens and Personal Obligations for Dues and Assessments. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall be the personal obligation of the Lot Owner at the time when the dues and assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent dues and assessments shall not pass to the successor in title to the Lot Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successors, but all successors shall take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid dues and assessments.
12. Purpose of Dues. Dues and assessments, other than for capital improvements, may be levied by the Board of Directors of the Association. The dues and assessments levied and collected by the Association shall be committed and expended to accomplish the purposes and to perform the powers and responsibilities of the Association described in this Article.
13. Assessments for Capital Improvements. In addition to the dues, the Board of Directors may levy an assessment or assessments for capital improvements; provided that, such assessment shall be ratified by the Members affected and entitled to vote on the matter at a regular meeting of the Members or at a special meeting of the Members, if notice of the assessment is contained in the notice of the special meeting.
14. Uniform Rate of Dues and Assessments. Dues and assessments related to the Common Area shall be fixed at a uniform rate as to all Lots, but may be abated as to individual Lots, as provided in Paragraph 10, above. Dues and assessments related to the NU Common Area shall be fixed at a uniform rate as to all NU-Lots and TR-Lots, but may be abated as to individual NU-Lots and TR-Lots, as provided in Paragraph 10 above.

15. Certificate as to Dues and Assessments. The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the dues and assessments on a specified Lot have been paid to the date of request, the amount of any delinquent sums, and the due date and amount of the next succeeding dues, assessment or installment thereof. The dues and assessment shall be and become a lien as of the date such amounts first become due and payable.
16. Effect of Nonpayment of Dues or Assessments; Remedies of the Association. Any installment of dues or assessment which is not paid when due shall be delinquent. Delinquent dues or assessments shall bear interest from the due date at the rate of sixteen percent (16%) per annum, or the maximum rate allowed by law, whichever is less. The Association may bring an action at law against the Lot Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and reasonable attorneys' fees incurred by the Association with respect to such action. No Lot Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Commons or abandonment of his Lot. The mortgagee of any Lot shall have the right to cure any delinquency of a Lot Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be subrogated to any rights of the Association.
17. Subordination of the Lien to Mortgagee. The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust given as collateral for a home improvement or purchase money loan. Sale or transfer of any Lot shall not affect or terminate the dues and assessment lien.

ARTICLE V GENERAL PROVISIONS

1. Acknowledgment of Commercial Property. By acceptance of a deed to a Lot, each Lot Owner acknowledges that the Commercial Property is zoned O-3 and B-2 and will contain uses permitted in those zoning districts.
2. Additional Property. Declarant reserves the right, in its sole and absolute discretion, at any time and from time to time, to add Additional Property to the provisions of this Declaration without the consent of the Members of the Association. Additional Property may be added to this Declaration by an instrument executed by Declarant and filed with the Lancaster County Register of Deeds, which instrument shall be deemed an amendment to this Declaration (which need not be consented to or approved by any Member of the Association) and shall (i) refer to this Declaration, stating the date and filing information, (ii) contain a statement that such Additional Property is conveyed subject to the provisions of this Declaration or only specified portions thereof; (iii) contain an exact legal description of such Additional Property, and (iv)

state such other or different covenants, conditions and restrictions as the Declarant, in its sole discretion, shall specify to regulate and control the use, occupancy and improvement of such Additional Property.

3. Townhome Association. It is presently contemplated that Declarant may establish an additional association that would be limited to the Lot Owners of T-Lots in order to promote the health, safety and welfare of the Townhome Property. The Townhome Property may be subject to covenants and restrictions which are in addition to, but not in abrogation or substitution of, those imposed herein.
4. Transitional Property. In order to promote the health, safety and welfare of the Transitional Property, the Declarant may establish additional covenants and restrictions for the Transitional Property which would be in addition to, but not in abrogation or substitution of, those imposed herein.
5. Enforcement of Declaration. Except for the authority and powers specifically granted to the Declarant, the Declarant or any Lot Owner named herein shall have the right to enforce by a proceeding at law or in equity, all reservations, restrictions, conditions and covenants now or hereinafter imposed by the provisions of this Declaration either to prevent or restrain any violation or to recover damages or other dues of such violation. In addition, the City shall have the right to enforce by proceedings at law or in equity all restrictive covenants and conditions regarding maintenance of the Commons. Failure by the Declarant, City or any Lot Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.
6. Amendment. This Declaration may be amended by Declarant, or any person, firm, corporation, partnership, or entity designated in writing by Declarant, in any manner which it may determine in its full and absolute discretion for a period of fifteen (15) years from the date hereof. Thereafter any portion of this Declaration, except Article III, may be amended by an instrument signed by the Lot Owners of Lots comprising not less than sixty-six percent (66%) of the total votes of Lots covered by this Declaration. Article III of this Declaration may only be amended by an instrument signed by the Lot Owners of Lots comprising not less than sixty-six percent (66%) of the total votes of Lots located within the Residential Property.
7. Assignment. Nebco, Inc. shall have the power to assign any or all of its rights and duties as Declarant in this Declaration to a successor or assign, or to the Association at such time as the Declarant deems appropriate, by filing a Notice of Assignment of Declarant Rights and Duties that delineates which rights and duties are being assigned. Nebco, Inc., or its successor or assign, may also terminate its status as Declarant under this Declaration in its entirety, at any time, by filing a Notice of Termination of Status as Declarant. Upon such filing, the Association may appoint itself or another entity, association or individual to serve as Declarant with respect to those remaining rights and duties the Declarant has not previously assigned to another entity, association or individual under a Notice of Assignment of Declarant Rights and Duties, and such appointee shall thereafter serve as Declarant with the same authority and powers as the original Declarant with respect to those remaining rights and duties, except as specifically provided herein.
